

ENTERPRISE PRODUCT CATALOG & QUANTITY PRICING SCHEDULE

Official 2026 Commercial Price List: 100 Enterprise Offerings with Tiered Volume Discounts (10% off for 10+, 30% off for 100+)

This commercial schedule specifies authoritative pricing for 100 certified enterprise products across cloud hardware, AI accelerators, networking transceivers, distributed vector database licenses, security modules, and autonomous robotics. In accordance with enterprise procurement agreements, tiered volume discounts are applied automatically at checkout: a **10% price reduction** applies to quantities of 10 or more, and a **30% price reduction** applies to bulk enterprise orders of 100 units or more.

Item ID	Product Name	Product Description	Qty 1 Price (Base)	Qty 10+ Price (-10%)	Qty 100+ Price (-30%)
PRD-001	Nexus AI Inference Accelerator Card	Enterprise PCIe Gen5 neural compute accelerator with 48GB HBM3 memory for ultra-low latency LLM inference.	\$2,499.00	\$2,249.10	\$1,749.30
PRD-002	VectorMesh High-Density GPU Blade	Dual-socket liquid-cooled server blade hosting 8x Tensor Core GPUs optimized for high-dimensional vector search.	\$18,500.00	\$16,650.00	\$12,950.00
PRD-003	Apex Edge AI Gateway Mini	Ruggedized fanless industrial edge processor running local quantized transformer models in harsh field environments.	\$850.00	\$765.00	\$595.00
PRD-004	Cognitive Server Appliance 2U	Turnkey rackmount 2U server preconfigured with Ollama and FastMCP tool execution runtime clusters.	\$7,200.00	\$6,480.00	\$5,040.00
PRD-005	Quantum-Safe Cryptographic Coprocessor	Hardware security PCIe module providing post-quantum lattice cryptography and deterministic key signing.	\$3,150.00	\$2,835.00	\$2,205.00
PRD-006	Neural Engine Micro-Module	Embedded low-power system-on-chip for real-time sensor processing and on-device tokenization.	\$280.00	\$252.00	\$196.00
PRD-007	HyperCompute AI Workstation Max	Desktop liquid-cooled workstation with 128GB unified VRAM, dual 100GbE NICs, and enterprise Linux OS.	\$9,800.00	\$8,820.00	\$6,860.00
PRD-008	TensorCore Matrix Acceleration Unit	Dedicated matrix arithmetic accelerator for deep learning training and high-throughput embedding calculations.	\$4,200.00	\$3,780.00	\$2,940.00
PRD-009	CloudNode Multi-Tenant Server	High-density multi-tenant cloud compute node with hardware memory encryption and SR-IOV virtualization.	\$6,400.00	\$5,760.00	\$4,480.00
PRD-010	EdgeVector Compact Gateway	Field-deployable vector database gateway with built-in 4G/5G failover and local ChromaDB persistence.	\$1,150.00	\$1,035.00	\$805.00
PRD-011	Autonomous Robotics Compute Brain	IP67-rated embedded robotic controller with dual cameras and real-time motion planning neural network.	\$3,600.00	\$3,240.00	\$2,520.00
PRD-012	MicroCluster AI Server Cube	Compact cube clustering unit combining 4 compute nodes with shared NVLink interconnect for lab testing.	\$5,400.00	\$4,860.00	\$3,780.00
PRD-013	Neuromorphic Spike Processing Board	Bio-inspired event-based neural processing board with sub-1ms response times for temporal pattern detection.	\$1,890.00	\$1,701.00	\$1,323.00
PRD-014	DeepLearning Cloud Accelerator Pod	Modular 4U compute expansion chassis delivering 2 PFLOPS of FP16 tensor performance.	\$24,500.00	\$22,050.00	\$17,150.00
PRD-015	Quantum Random Number Generator Card	High-throughput true physical quantum entropy PCIe card generating 1 Gbps of unguessable random seed keys.	\$1,650.00	\$1,485.00	\$1,155.00
PRD-016	Nexus 400GbE Spine Data Switch	Ultra-low latency 32-port 400GbE QSFP-DD Layer 3 data center switch with telemetry and RoCE v2 support.	\$14,200.00	\$12,780.00	\$9,940.00
PRD-017	Enterprise 100GbE Leaf Switch 48-Port	High-density 48x 100GbE SFP28 leaf switch with redundant power supplies and line-rate hardware buffering.	\$8,900.00	\$8,010.00	\$6,230.00

Item ID	Product Name	Product Description	Qty 1 Price (Base)	Qty 10+ Price (-10%)	Qty 100+ Price (-30%)
PRD-018	Zero-Latency Fiber Transceiver 400G	Single-mode optical transceiver supporting 400GBASE-LR4 over duplex single-mode fiber up to 10km.	\$650.00	\$585.00	\$455.00
PRD-019	Industrial Ruggedized 10GbE Switch	DIN-rail mounted managed 8-port 10GbE Ethernet switch designed for wide-temperature factory automation.	\$1,450.00	\$1,305.00	\$1,015.00
PRD-020	Multi-Tenant Edge SD-WAN Gateway	Intelligent software-defined WAN gateway with automated traffic steering, IPsec VPN, and zero-touch setup.	\$2,100.00	\$1,890.00	\$1,470.00
PRD-021	Direct-Attach Copper Cable 100G 2m	High-speed passive twinaxial copper cable assembly for intra-rack server-to-switch interconnects.	\$85.00	\$76.50	\$59.50
PRD-022	Active Optical Cable 400G 10m	Lightweight plenum-rated active optical breakout cable delivering high bandwidth with low EMI noise.	\$340.00	\$306.00	\$238.00
PRD-023	Carrier-Grade Core Border Router	Modular multi-terabit perimeter core router with redundant routing engines and BGP flow-spec defense.	\$28,000.00	\$25,200.00	\$19,600.00
PRD-024	Wireless Access Point Wi-Fi 7 Enterprise	Tri-band Wi-Fi 7 access point with 4x4 MU-MIMO, beamforming, and dedicated WPA3 enterprise security.	\$780.00	\$702.00	\$546.00
PRD-025	Hardware Network Packet Broker 1U	High-density packet inspection broker aggregating and filtering network traffic for IDS/IPS telemetry taps.	\$4,950.00	\$4,455.00	\$3,465.00
PRD-026	Cellular 5G Enterprise Gateway Hub	Dual-SIM 5G/LTE industrial bridge with high-gain directional MIMO antennas and PoE power pass-through.	\$1,250.00	\$1,125.00	\$875.00
PRD-027	High-Speed Patch Panel Cat6A 48-Port	Shielded 1U 19-inch modular RJ45 keystone patch panel for enterprise structured network cabling.	\$195.00	\$175.50	\$136.50
PRD-028	Fiber Optic Enclosure 1U Rackmount	Sliding fiber distribution patch panel with LC duplex couplers supporting up to 96 strands of OS2 fiber.	\$320.00	\$288.00	\$224.00
PRD-029	Console Server 16-Port Out-of-Band	Secure serial terminal server providing out-of-band remote console management with integrated 4G backup.	\$1,680.00	\$1,512.00	\$1,176.00
PRD-030	Network Precision Time Protocol Server	GNSS-synchronized IEEE 1588 PTP grandmaster clock delivering sub-nanosecond time stamps to clusters.	\$3,850.00	\$3,465.00	\$2,695.00
PRD-031	Nexus All-Flash NVMe Array 30TB	Dual-controller enterprise NVMe storage appliance delivering 1.2M IOPS and 100GbE NVMe-oF connectivity.	\$16,800.00	\$15,120.00	\$11,760.00
PRD-032	Enterprise NVMe SSD U.2 15.36TB	High-endurance PCIe 4.0 enterprise solid-state drive with power loss protection and 1 DWPD reliability.	\$1,850.00	\$1,665.00	\$1,295.00
PRD-033	Enterprise NVMe SSD U.2 7.68TB	Read-intensive enterprise solid-state drive optimized for ChromaDB vector embeddings and read caches.	\$980.00	\$882.00	\$686.00
PRD-034	High-Capacity SAS HDD 24TB 7.2K	Helium-sealed 12Gb/s SAS enterprise hard drive designed for high-density cold document storage arrays.	\$460.00	\$414.00	\$322.00
PRD-035	Hybrid SAN/NAS Storage Appliance 4U	Unified storage controller with 24 hot-swap bays, dual 10GbE SFP+ ports, and ZFS replication.	\$11,200.00	\$10,080.00	\$7,840.00
PRD-036	LTO-9 Tape Autoloader 24-Slot	Automated magnetic tape backup library supporting 432TB raw storage with hardware AES-256 encryption.	\$7,400.00	\$6,660.00	\$5,180.00
PRD-037	LTO-9 Ultrium Tape Cartridge 18TB	High-density barium ferrite magnetic data cartridge providing 30-year archival media longevity.	\$145.00	\$130.50	\$101.50
PRD-038	Hardware RAID Controller 12Gb/s SAS	PCIe 4.0 Tri-Mode RAID controller with 8GB onboard flash cache and battery backup power unit.	\$820.00	\$738.00	\$574.00
PRD-039	PCIe Gen5 NVMe AIC Expansion 64TB	Full-height add-in card aggregating 4x M.2 NVMe drives into a single ultra-fast storage volume.	\$6,200.00	\$5,580.00	\$4,340.00
PRD-040	Immutable WORM Storage Gateway	Dedicated compliance gateway enforcing strict Write-Once-Read-Many retention policies for SEC filings.	\$5,300.00	\$4,770.00	\$3,710.00
PRD-041	Direct-Attached Storage (DAS) 2U 12-Bay	High-speed JBOD expansion shelf with 12Gb/s SAS-3 dual expander modules for clustered storage nodes.	\$3,100.00	\$2,790.00	\$2,170.00

Item ID	Product Name	Product Description	Qty 1 Price (Base)	Qty 10+ Price (-10%)	Qty 100+ Price (-30%)
PRD-042	NVMe-oF Bridge Adapter Card 100GbE	Host channel adapter offloading RDMA-over-Converged-Ethernet storage protocols at line rate.	\$1,150.00	\$1,035.00	\$805.00
PRD-043	Industrial M.2 NVMe SSD 2TB	Wide-temperature (-40C to +85C) M.2 NVMe storage drive with conformal coating for rugged IoT nodes.	\$340.00	\$306.00	\$238.00
PRD-044	High-Density Object Storage Server 60-Bay	Top-loading 4U bulk storage server chassis accommodating 60x 3.5-inch SAS drives for petabyte scale.	\$19,500.00	\$17,550.00	\$13,650.00
PRD-045	Disaster Recovery Replication Appliance	Hardware appliance executing continuous delta-block replication and automated vector database failover.	\$8,600.00	\$7,740.00	\$6,020.00
PRD-046	Next-Gen Enterprise Firewall 40Gbps	Deep packet inspection firewall appliance with AI threat prevention, SSL inspection, and multi-tenant zoning.	\$12,500.00	\$11,250.00	\$8,750.00
PRD-047	Hardware Security Module (HSM) FIPS 140-3	Tamper-responsive dedicated cryptographic appliance for enterprise root CA keys and JWT signing secrets.	\$18,900.00	\$17,010.00	\$13,230.00
PRD-048	Biometric Access Terminal Pro	Facial recognition and fingerprint scanner with anti-spoofing liveness detection and Wiegand controller.	\$920.00	\$828.00	\$644.00
PRD-049	Smart Card Enterprise Token (Pack of 25)	FIPS 201 compliant dual-interface contact and contactless PIV smart cards for two-factor authentication.	\$375.00	\$337.50	\$262.50
PRD-050	Hardware Security Key FIDO2/WebAuthn	USB-C and NFC physical security authenticator with fingerprint sensor for passwordless agent access.	\$75.00	\$67.50	\$52.50
PRD-051	Enterprise Web Application Firewall (WAF)	Dedicated hardware WAF providing OWASP Top 10 mitigation, rate limiting, and prompt injection defense.	\$6,800.00	\$6,120.00	\$4,760.00
PRD-052	Intrusion Detection/Prevention Sensor 1U	Real-time network security sensor monitoring deep traffic patterns for lateral movement and exfiltration.	\$5,400.00	\$4,860.00	\$3,780.00
PRD-053	Privileged Access Management (PAM) Vault	Isolated secure hardware appliance storing service passwords, SSH private keys, and container secrets.	\$8,100.00	\$7,290.00	\$5,670.00
PRD-054	Physical Security Door Controller 4-Door	Networked access control panel supporting 4 card readers, auxiliary inputs, and electric strike relays.	\$640.00	\$576.00	\$448.00
PRD-055	Tamper-Evident Security Seal (Pack of 500)	Barcoded tamper-indicating serial seals for server racks, shipping containers, and forensic drives.	\$160.00	\$144.00	\$112.00
PRD-056	SSL/TLS Offloader Acceleration Card	PCIe cryptography offload accelerator terminating 500,000 concurrent TLS 1.3 connections in hardware.	\$2,850.00	\$2,565.00	\$1,995.00
PRD-057	Vulnerability Assessment Appliance	Rackmount security scanner automatically performing internal port audits and compliance benchmarks.	\$4,700.00	\$4,230.00	\$3,290.00
PRD-058	Deception Network Honeypot Node	Dedicated appliance deploying decoy microservices to detect internal network reconnaissance attempts.	\$3,200.00	\$2,880.00	\$2,240.00
PRD-059	Data Loss Prevention (DLP) Network Monitor	Hardware inspection unit analyzing outbound traffic for unmasked PII, trade secrets, and API credentials.	\$6,100.00	\$5,490.00	\$4,270.00
PRD-060	Air-Gapped Optical Data Diode 1Gbps	Unidirectional hardware optical isolator guaranteeing physically impossible reverse data transmission.	\$4,900.00	\$4,410.00	\$3,430.00
PRD-061	Nexus Agentic Core Annual License	Per-node annual enterprise subscription for autonomous multi-turn agent planning, reasoning, and execution.	\$4,800.00	\$4,320.00	\$3,360.00
PRD-062	VectorMesh Enterprise Database License	Annual software license for distributed ChromaDB clustering with cross-region replication and multi-tenancy.	\$3,600.00	\$3,240.00	\$2,520.00
PRD-063	Nexus Multi-Tenant Gateway License	Annual subscription for cryptographic JWT domain routing, role enforcement, and token lifecycle management.	\$2,400.00	\$2,160.00	\$1,680.00
PRD-064	FastMCP Procedural Tool Connector Pack	Annual access license to 50 certified procedural connectors for SAP, Salesforce, Bloomberg, and Oracle.	\$1,800.00	\$1,620.00	\$1,260.00
PRD-065	Nexus Sentinel Audit & Compliance Suite	Comprehensive real-time telemetry logging, token tracking, and forensic replay software license.	\$2,900.00	\$2,610.00	\$2,030.00
PRD-066	Ollama Acceleration Enterprise Suite	GPU-optimized container runtime license for high-throughput local vector embeddings and prompt synthesis.	\$1,500.00	\$1,350.00	\$1,050.00

Item ID	Product Name	Product Description	Qty 1 Price (Base)	Qty 10+ Price (-10%)	Qty 100+ Price (-30%)
PRD-067	Continuous Threat Intelligence Feed (1-Yr)	Daily updated threat telemetry feed with automated firewall rule injection and malicious IP blocking.	\$2,100.00	\$1,890.00	\$1,470.00
PRD-068	Enterprise Knowledge Ingestion Pipeline SDK	High-performance document chunking, optical character recognition, and PDF parsing software license.	\$1,950.00	\$1,755.00	\$1,365.00
PRD-069	Automated Unit Economics & Billing Module	Software plugin tracking per-tenant token usage, model inference costs, and custom invoice generation.	\$1,200.00	\$1,080.00	\$840.00
PRD-070	Synthetic Data Generation Toolkit	Algorithmic suite for generating privacy-preserving synthetic test data for machine learning model tuning.	\$2,750.00	\$2,475.00	\$1,925.00
PRD-071	Nexus Kubernetes Operator Enterprise	Native Kubernetes controller managing autonomous agent containers, auto-scaling, and rolling updates.	\$3,200.00	\$2,880.00	\$2,240.00
PRD-072	High-Availability Clustering Extension	Active-active multi-datacenter consensus license with zero-RPO data synchronization across nodes.	\$4,100.00	\$3,690.00	\$2,870.00
PRD-073	Autonomous Log Analytics Engine	Machine learning log parser aggregating log.json traces and calculating TTFT, ITL, and TPS metrics.	\$2,300.00	\$2,070.00	\$1,610.00
PRD-074	Prompt Safety Guardrail Middleware	Real-time sanitization proxy preventing jailbreaks, indirect prompt injection, and toxic generations.	\$1,850.00	\$1,665.00	\$1,295.00
PRD-075	Enterprise Developer Studio IDE Extension	Team license for interactive agent prompt debugging, tool testing, and vector similarity heatmaps.	\$850.00	\$765.00	\$595.00
PRD-076	Industrial IoT Smart Gateway Node	ARM64 multi-sensor edge hub with Modbus, CAN-bus, RS-485 interfaces, and IP68 sealed aluminum enclosure.	\$950.00	\$855.00	\$665.00
PRD-077	Precision Temperature/Humidity Sensor	NIST-traceable digital environmental sensor probe transmitting data over LoRaWAN and Modbus RTU.	\$145.00	\$130.50	\$101.50
PRD-078	Differential Air Pressure Monitor	Cleanroom and data center airflow sensor detecting filter degradation and containment pressure drops.	\$260.00	\$234.00	\$182.00
PRD-079	Acoustic Noise & Vibration Sensor	High-frequency triaxial accelerometer detecting bearing wear and predictive failure in server fans.	\$310.00	\$279.00	\$217.00
PRD-080	Infrared Thermal Imaging Sensor Grid	80x62 pixel radiometric thermal camera sensor monitoring server rack hotspots and electrical panels.	\$680.00	\$612.00	\$476.00
PRD-081	Water Leak Detection Cable System (50m)	Continuous conductive polymer sensing cable pinpointing liquid leaks beneath raised data center floors.	\$420.00	\$378.00	\$294.00
PRD-082	Gas & Smoke Detection Aspirating System	Very Early Warning Aspirating Smoke Detection (VESDA) unit actively sampling data center air ducts.	\$2,350.00	\$2,115.00	\$1,645.00
PRD-083	Power Quality & Current Monitor CT Sensor	Split-core current transformer sensor measuring True-RMS electrical current, harmonics, and surges.	\$185.00	\$166.50	\$129.50
PRD-084	Magnetic Door Contact & Tamper Switch	Supervised dual-contact magnetic reed switch detecting unauthorized physical access to server racks.	\$45.00	\$40.50	\$31.50
PRD-085	LoRaWAN Long-Range Gateway Base Station	Outdoor IP67 16-channel LoRaWAN gateway supporting over 10,000 industrial sensors across a 15km radius.	\$1,650.00	\$1,485.00	\$1,155.00
PRD-086	Enterprise Online UPS System 10kVA	Double-conversion online uninterruptible power supply with hot-swappable batteries and SNMP management.	\$6,200.00	\$5,580.00	\$4,340.00
PRD-087	Intelligent Switched PDU 30A 24-Outlet	Zero-U vertical rack power distribution unit with per-outlet metering, remote power cycling, and environmental ports.	\$1,150.00	\$1,035.00	\$805.00
PRD-088	In-Row Liquid Cooling Chiller Unit	High-efficiency 30kW in-row closed-loop liquid cooling distribution unit for high-density GPU racks.	\$18,500.00	\$16,650.00	\$12,950.00
PRD-089	Server Cabinet 42U Heavy-Duty Enclosure	Standard 19-inch 42U data center server rack with 80% perforated mesh doors and integrated cable management.	\$1,450.00	\$1,305.00	\$1,015.00
PRD-090	Automatic Transfer Switch (ATS) 16A 1U	Dual-source redundant power transfer switch switching utility to generator power in under 16ms.	\$880.00	\$792.00	\$616.00
PRD-091	Liquid Immersion Server Tank (4 Nodes)	Direct immersion cooling tank utilizing dielectric fluid to dissipate up to 100kW of GPU compute heat.	\$26,500.00	\$23,850.00	\$18,550.00
PRD-092	Rack Containment Aisle Ceiling Panel Kit	Thermal containment modular roof panels preventing hot exhaust air mixing with cold supply air aisles.	\$780.00	\$702.00	\$546.00

Item ID	Product Name	Product Description	Qty 1 Price (Base)	Qty 10+ Price (-10%)	Qty 100+ Price (-30%)
PRD-093	Clean Agent Fire Suppression Cylinder (FM-200)	Pre-engineered clean agent chemical fire extinguishing cylinder safe for electronic equipment and humans.	\$3,900.00	\$3,510.00	\$2,730.00
PRD-094	Autonomous Mobile Robot (AMR) 500kg	Industrial autonomous warehouse transport robot with dual LiDAR, SLAM navigation, and automated charging.	\$28,500.00	\$25,650.00	\$19,950.00
PRD-095	Industrial Automated Barcode Sorter Scanner	High-speed omnidirectional multi-laser bar code reader reading moving parcels on conveyor belts at 3 m/s.	\$3,400.00	\$3,060.00	\$2,380.00
PRD-096	Rugged Mobile Data Terminal Android 14	Mil-Spec drop-resistant handheld enterprise computer with integrated 2D barcode scanner and Wi-Fi 6E.	\$1,250.00	\$1,125.00	\$875.00
PRD-097	Robotic Arm Pneumatic Gripper End-Effector	Soft-touch adaptive vacuum gripper picking irregular e-commerce packages and delicate pharmaceuticals.	\$2,200.00	\$1,980.00	\$1,540.00
PRD-098	Dual-Display Ergonomic Dev Workstation	Motorized sit-stand desk integrated with dual 32-inch 4K color-calibrated monitors and cable management.	\$1,950.00	\$1,755.00	\$1,365.00
PRD-099	Mechanical Ergonomic Coding Keyboard Pro	Hot-swappable mechanical split keyboard with programmable macro firmware and USB-C detachable cabling.	\$240.00	\$216.00	\$168.00
PRD-100	Autonomous Fleet Telematics Edge Box	Vehicle telematics computer tracking CAN-bus telemetry, GPS coordinates, and refrigeration temperatures.	\$650.00	\$585.00	\$455.00
